MAINTENANCE METER

◆ REAL TIME HOUR METER ◆

BE SURE—DON'T GUESS

The new MAXI-TRONIC real time hour meter tracks exact equipment run time in hours.

Now you can schedule preventive maintenance based on accurate information instead of just guessing.

- Add to any new MAXI-TRONIC control housing
- Retrofits to existing MAXI-TRONIC control housing
- Adapts to most other control systems
- Add as stand alone monitor
- Low cost
